

Stop Meeting Start Collaborating

with Vibe 55" Digital Whiteboard

Vibe is a collaboration solution that combines an interactive digital whiteboard and smart software. Activate your brainstorming sessions, client presentations, and virtual trainings by combining video conferencing and your favorite applications.

Collaborate

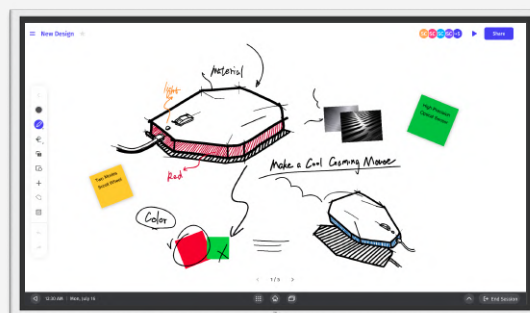

Connect remote employees like never before by providing them with technology that's on par with an in-office experience.

Realtime Whiteboard | Screen Sharing | Cloud Collaboration

Create

Visualize what works, save ideas for other projects, and erase whatever no longer fits with the flow on an infinite canvas.

Infinite Canvas | Smart Drawing | Sticky Notes

Engage

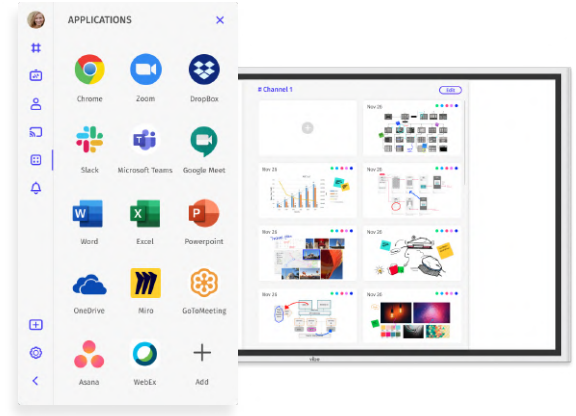

Connect with your audience with interactive sessions. Take notes or mark up images with the real-time whiteboard.

Wireless Screencast | Annotation | Video Conference

Customize

Vibe's open ecosystem allows you to choose whichever apps are best for you. Vibe works with the tools you've already invested in, so there's no need to make additional purchases.

Simplify

With an all-in-one design and WiFi capability, simply plug in Vibe, power on, and start working on your first project with our intuitive touchscreen interface.

55" 4K UHD Screen

Response Time

2 USB Ports
